

Ioannina Meeting on Applied Economics and Finance **June 29-July 1, 2016**

Corfu, GREECE

Organised by

the Department of Economics of the University of Ioannina

<http://www.econ.uoi.gr/imaef2016/home.html>

The 6th International Ioannina Meeting on Applied Economics and Finance (IMAEF) aims at offering a forum for exchanging ideas in the application of theory to contemporary issues in economics and finance. The meeting brings together academics and practitioners from different countries and environments sharing research interests in applied economics and finance. Contributions with both, a theoretical and empirical focus are welcome.

IMAEF 2016 is organised by the Department of Economics of the University of Ioannina and will take place in Corfu.

The meeting topics include, but are not limited to, the following:

- Capital markets
- Corporate finance
- Econometrics and applied statistics
- Quantitative methods, mathematical finance, operations research
- Risk management
- Financial decision making
- Applied Macroeconomics
- Regional Economics
- Experimental Economics
- Banking
- Managerial Economics
- Portfolio Management
- Agricultural Economics
- Industrial Organisation
- International Trade
- Applied Labour and Demographic and Social Economics
- Health Economics
- Education Economics
- Environmental Economics
- Public Economics
