

Paraskevi K. Salamaliki

Personal Info

Date of birth: 30/03/1983

Place of birth: Athens, Greece

Nationality: Greek

Marital status: Married with one child (born 12/2017)

Phone: +30 26510 05954

E-mail: p.salamaliki@uoi.gr

Website: <https://sites.google.com/site/drparaskevisalamaliki/>

Current Position

Assistant Professor in Macroeconomics, *University of Ioannina, Department of Economics.*

Adjunct Professor, *Hellenic Open University, School of Social Sciences, Department of Business Administration.*

October 2017 - present

Past Positions

Lecturer (fixed-term), *University of Patras, Department of Economics.*

Oct. 2018 – June 2019, Feb. 2018 – June 2018, Feb. 2017 – June 2017

Research fellow, *University of Patras, Department of Economics.*

Mar. 2016 – July 2019

Marie Curie Postdoctoral Fellow, *University of Konstanz, Research Institute Zukunftskolleg & Department of Economics.*

Sept. 2013 – Aug.2015

Education

2013 **Ph.D in Economics**, *University of Patras, Department of Economics*, Summa cum laude.

Thesis title: "Essays in Applied Macroeconometrics: multi-horizon Granger causality and trend non-linearities in macroeconomic time series" Advisors: Ioannis A. Venetis (University of Patras), Konstantinos Drakos (Athens University of Economics & Business), Athina Zervoyianni (University of Patras)

2008 **M.Sc in Economics (with distinction)**, *University of Patras, Department of Economics.*

Dissertation title: Relative Price distribution and Inflation: the case of Greece

2006 **Ptychion (Bachelor degree) in Economics**, *University of Patras, Department of Economics.*

Additional Academic Experience

Teaching and Research Assistant, *University of Patras, Department of Economics*.

Feb. 2009 – June 2013

Teaching Fellow, *Technological Educational Institute (TEI) of Western Greece*.

Teaching fellow in Macroeconomics, Finance. Oct. 2010 – June 2011

Scholarships - Awards - Fellowships

September 2013 **Marie Curie Post-doctoral Fellowship**, *University of Konstanz (2-years: September 2013 – August 2015)*.

Funded by the European Union's Seventh Framework Programme (EU FP7) Marie Curie Zukunftskolleg Incoming Fellowship Programme, University of Konstanz, Germany, Grant No. 291784. Funded Research project: "The treatment of trends in macroeconomic time series and their effect on causality results"

January 2008 **MSc Performance Scholarship**, *University of Patras*.

Scholarship awarded for my performance on the Master first year exams (6 courses in total: Microeconomics, Macroeconomics, Econometrics, Topics in Microeconomics, Topics in Macroeconomics, Topics in Econometrics). The Scholarship was funded by the Greek Ministry of Education and the European Union (EPEAEK II program)

Further Training

July 2015 **University of Cambridge, Econometrics Summer School**, *Cambridge, UK, 18 – 22 July 2015*.

Courses attended: Course 1: Macroeconomic Modeling and Forecasting (Prof. Sean Holly), Course 2: Time Series analysis and Modeling (Prof. Andrew C. Harvey)

June 2015 **University of Konstanz, Workshop for Teaching and Learning at University Level**.

Topic: "English Skills in Academia: Dissolving the Fear of Teaching in English and Inspiring the English Atmosphere in the Classroom". Training was performed by order of the Teaching and Learning Unit at the University of Konstanz & the Baden-Württemberg Hochschul Didaktik Zentrum

June 2014 **University of St. Gallen, Summer School in Empirical Research Methods (SSERM 2014)**, *Switzerland, 2 – 13 June 2014*.

Course attended: Advanced Time Series Analysis (Prof. Jorg Breitung) [Additional course attended: Regression-Linear Models by Prof. Brian Pollins]

Research Interests

- Macroeconomics, Empirical Macroeconomics, Macroeconometrics, & Applied Time series econometrics

Publications in International Journals

- **Factor decomposition of disaggregate inflation: the case of Greece.** *International Journal of Computational Economics and Econometrics*, Forthcoming (with Nikolaos Krimpas & Ioannis A. Venetis)
- **Transmission chains of economic uncertainty on macroeconomic activity: New empirical evidence (2019)** *Macroeconomic Dynamics*, Vol. 23, Issue 8, pp. 3355-3385 (with I.A. Venetis)
- **Births, Marriages and the Economic Environment in Greece: Empirical Evidence over time (2017)** *Journal of Family and Economic Issues*, Vol. 38, Issue 2:218-237
- **Unit roots and trend breaks in the Greek labor market (2015)** *Journal of Economic Studies*, Vol. 42, Issue 4:641-658 (with I.A. Venetis)
- **Smooth transition trends and labor force participation rates in the United States (2014)** *Empirical Economics*, Vol. 46, Issue 2:629-652 (with I.A. Venetis)
- **Energy consumption and real GDP in G-7: Multi-horizon causality testing in the presence of capital stock (2013)** *Energy Economics*, Vol. 39:108-121 (with I.A. Venetis)
- **The causal relationship between female labor supply and fertility in the USA: updated evidence via a time series multi-horizon approach (2013)** *Journal of Population Economics*, Vol. 26, Issue 1:109-145 (with Ioannis A. Venetis & N. Giannakopoulos)

Conference & Seminar Presentations (presenter's name in bold)

- Research Seminar, Department of Economics, University of Ioannina, May 2019: "Assessing labor market conditions in Greece: a dynamic factor model". **Paraskevi Salamaliki**
- Research Seminar, Department of Economics, University of Ancona, November 2017: "QML-EM estimation of dynamic factor models in gretl/Labor market conditions in Greece" **Ioannis A. Venetis**/Paraskevi Salamaliki
- 4th International PhD Meeting of Thessaloniki in Economics, July 2016: "What drives Greek inflation?" **Nikolaos Krimpas**, Paraskevi Salamaliki, Ioannis Venetis
- 6th International Ioannina Meeting on Applied Economics and Finance, Corfu, June 2016: "Transmission chains of economic uncertainty on macroeconomic activity: New empirical evidence". Paraskevi Salamaliki, Ioannis Venetis
- Seminar Series of the MSc in Applied Economics & Data analysis, Department of Economics, University of Patras, April 2016: "Economic uncertainty and macroeconomic activity". **Paraskevi Salamaliki**
- 2nd Annual Conference of the International Association for Applied Econometrics (IAAE 2015), Thessaloniki, June 2015: "Transmission channels of economic uncertainty effects on macroeconomic activity" Paraskevi Salamaliki, **Ioannis Venetis**
- 4th Gretl Conference, Hans Böckler Foundation and Free University of Berlin, Berlin, June 2015 (attendance)

- Jour-Fixe (Weekly Research Seminar) of the Zukunftscolleg, University of Konstanz, February 2015: "Trending macroeconomic time series and Granger causality"
Paraskevi Salamaliki
- 8th International Conference on Computational and Financial Econometrics (CFE 2014), Pisa, December 2014: "Investigating economic policy uncertainty – economic activity causality: the role of infrequent shifts and omitted variables"
Paraskevi Salamaliki, Ioannis A. Venetis
- Scientific Retreat of the Zukunftscolleg, Kloster Hegne, Allensbach-Hegne, Germany, November 2014: "Trending macroeconomic time series and Granger causality", **Paraskevi Salamaliki** (Retreat's presentations type: Poster)
- Econometrics Seminar (Colloquium), Department of Economics, University of Konstanz, December 2013: "Unit roots and trend breaks in the Greek labor market". **Paraskevi Salamaliki**, I.A. Venetis
- Deutsches Institut für Wirtschaftsforschung (DIW - German Institute for Economic Research) Macroeconometric Workshop, Berlin, November 2013: "Unit roots and trend breaks in the Greek labor market" **Paraskevi Salamaliki**, Ioannis A. Venetis
- Doctoral Seminar, Department of Economics, University of Patras, March 2012: "Smooth transition trends and labor force participation rates in the United States". **Paraskevi Salamaliki**, I.A. Venetis
- Augustin Cournot Doctoral Days, 8th Edition, Strasbourg, April 2011: "Energy consumption and real GDP in G-7: multi-horizon causality testing in the presence of capital stock" **Paraskevi Salamaliki**, Ioannis A. Venetis
- Doctoral Seminar, Department. of Economics, University of Patras, February 2011: "Energy consumption and real GDP in G-7: multi-horizon causality testing in the presence of capital stock". **Paraskevi Salamaliki**, I.A. Venetis

Teaching Experience

- University of Ioannina, Dept. of Economics, Winter Semester 2020-21: Macroeconomics I (Postgraduate), Economic Applications using Software Packages (Undergraduate).
- Hellenic Open University, Academic year 2020-21: Economic Analysis & Policy (DEO34)
- University of Patras, Dept. of Economics: Mathematical Economics (Winter Semester 2018-19), Economics for Engineers and Scientists (Winter Semester 2018-19), Applied Econometrics (Spring Semester 2018-19).
- Hellenic Open University, October 2017 - July 2020 (3 years): Money and Capital markets (DEO41)
- University of Patras, Dept. of Economics Applied Econometrics (Spring Semester 2017-18, Spring Semester 2016-17)
- University of Patras, Dept. of Business Administration of Food and Agricultural Enterprises, Winter Semester 2016-17: Empirical Agricultural price analysis (MBA). (4 Lectures)

- Technological Education Institute (TEI) of Western Greece, Department of Accounting, Winter Semester 2010-11, Spring Semester 2010-11: Macroeconomics, Finance.
- University of Patras, Dept. of Economics, Graduate Teaching Assistant (TA) 2019-2013: Econometrics, Mathematics for Economists I and II

Referee service for Scientific Journals

- Economics and Business Letters, Energy Economics (2x), Journal of Economic Studies, Journal of Economics and Statistics (Jahrbücher für Nationalökonomie und Statistik), Journal of Macroeconomics, Singapore Economic Review, Economic change and restructuring

Translation Editor

- Translation editor of *Economic Policy: Theory and Practice*. Agnes Benassy-Quere, Benoit Coeure, Pierre Jacquet, and Jean Pisani-Ferry (Second Edition, 2018). Together with Athina Zervoyianni (published in 2020).

Conference Organizer

- 5th gretl Conference, Athens, June 2-3, 2017 (<http://www.gretlconference.org/>). Member of the Local Organizing Committee (together with Ioannis A. Venetis (University of Patras) and Manolis Tzagkarakis (University of Patras)).

Languages - Software

- Greek (native), English (fluent), German (fair)
- EViews, Gretl, R, Microsoft Office, Latex
